International Distribution Opportunities

## Partner With AsepticMD

Join our growing network of distributors and partners representing AsepticMD products worldwide. We offer professional-grade skincare that meets real medical standards and proven market demand—backed by full partner support.

### Who This Is For

- Medical supply distributors
- Healthcare procurement companies
- Hospital and clinic suppliers
- Regional partners seeking proven products
- Dermatology clinics and medical spas
- Specialty beauty retailers and wellness centers

### Why Partner With Us

- Designed for professional medical use
- Clear documentation and product information
- Consistent quality and supply
- Suitable for international distribution
- Support available for partners
- Proprietary ClO<sub>2</sub> Complex technology

# Our Product Line

## Foaming Face Wash 6 oz

Flagship Clinical Cleanser

Our hero product with exceptional market traction and dermatologist endorsement. Features universal acclaim and proven efficacy with dramatic customer transformations. The only foaming face cleanser with proprietary CLO2 Complex technology, exclusive to Aseptic MD.

### KEY SELLING POINTS

- ✓ Universal 5-star rating
- ✓ Proprietary CLO2 Complex technology
- ✓ Dermatologist-recommended
- ✓ Safe for all skin types
- ✓ Strong repeat purchase rate

### TARGET MARKETS

- ✓ Dermatology clinics
- ✓ Medical spas
- ✓ Premium skincare retailers
- ✓ Aesthetic practices
- ✓ Online clinical skincare retailers

# Face Toner 6 oz

## Clinical-Grade Facial Toner

Formulated with exclusive CLO2 Complex to create a protective shield for compromised skin. Designed as a complementary product to Foaming Face Wash with strong appeal to dermatological professionals. Positioned for morning use, creating daily usage frequency.

### KEY SELLING POINTS

- ✓ Patent-pending CLO2 Complex
- ✓ Creates protective shield
- ✓ Hypoallergenic & fragrance-free
- ✓ Ideal for eczema & rosacea
- ✓ Complements Face Wash

### TARGET MARKETS

- ✓ Dermatology clinics
- ✓ Medical aestheticians
- ✓ Skincare professionals
- ✓ Premium beauty retailers
- ✓ Sensitive skin market

# Body Wash 8 oz

## Premium Dermatological Body Care

Addresses a significant market gap with specialized treatment for body acne, keratosis pilaris (KP), and folliculitis. The only body wash containing ClO2 Complex technology to inactivate allergens and irritants. Gentle, hypoallergenic, fragrance-free formulation.

### KEY SELLING POINTS

- ✓ Treats body acne, KP, folliculitis
- ✓ ClO2 Complex technology
- ✓ Dermatologist-recommended
- ✓ Gentle & hypoallergenic
- ✓ Clinically-proven results

### TARGET MARKETS

- ✓ Dermatology clinics
- ✓ Medical spas
- ✓ Specialty beauty retailers
- ✓ Wellness centers
- ✓ DTC premium channels

# Target Serum 2 oz

## Clinical-Strength Spot Treatment

High-concentration formula for targeted treatment of specific skin concerns. Physician-recommended for KP, localized breakouts, and wound healing support. Delivers clinical-strength results without harsh actives (no benzoyl peroxide or salicylic acid irritation).

### KEY SELLING POINTS

- ✓ High-concentration formula
- ✓ No harsh actives
- ✓ Physician-recommended
- ✓ Excellent margins (minimal usage)
- ✓ Ideal for bundling

### TARGET MARKETS

- ✓ Specialty skincare retailers
- ✓ Dermatology clinics
- ✓ Online beauty communities
- ✓ KP niche markets
- ✓ Bundle distribution

# Full Body Kit

## Premium Bundled Solution

Complete skincare solution combining all hero products plus exfoliating glove. Recommended by leading dermatologists (Dr. Matt Zirwas) as a complete protocol. Positions Aseptic MD as a complete skincare system rather than individual products. Perfect for patient/customer onboarding.

### KEY SELLING POINTS

- ✓ Complete skincare regimen
- ✓ Includes exfoliating glove
- ✓ Higher ticket item
- ✓ "Physician-Designed Regimen"
- ✓ Drives cross-product awareness

### TARGET MARKETS

- ✓ Dermatology clinics (patient packages)
- ✓ Medical spas (treatment bundling)
- ✓ Corporate wellness programs
- ✓ Premium gift packaging
- ✓ High-margin distributors

# Distributor Benefits

## Clinical Credibility

All products are dermatologist-endorsed with peer endorsements from respected dermatologists

## Proven Demand

Strong customer ratings and documented testimonials indicate established market acceptance

## Proprietary Technology

ClO<sub>2</sub> Complex is unique to Aseptic MD, creating differentiation and brand loyalty

## Margin Potential

Specialized positioning allows premium pricing vs. mass-market alternatives

## Repeat Purchase

Formulations designed for daily use and complementary product bundles

## Growing Markets

Addresses emerging consumer awareness around acne, KP, and sensitive skin care
